

East Grinstead in Bloom

Volunteer Form

About East Grinstead in Bloom

East Grinstead in Bloom is a group of local residents whose aims are to improve the local environment for the benefit of all. It is aligned with [South & South East in Bloom](#), which in turn reflects the aims of [Britain in Bloom](#), a long-standing environmental enterprise.

We are looking for new residents to join us and assist with some of the projects we are involved with or even help run a project.

We are seeking volunteers with a variety of skills from people who like getting their hands dirty and gardening or perhaps like working on conservation and wildlife projects to people who have marketing and fundraising experience or enjoy running competitions and organising events.

Each project is different and we encourage anyone who just wants to get stuck in and help with a great community group.

If you are interested in helping East Grinstead in Bloom, please provide your details below and hand the form back to a member of the team.

Name	
Address	
Town	
County	
Postcode	
Contact Number	
Email	

Tell us a bit about what you like doing and how you might be able to help Bloom. This could be anything from your love of digging through to being able to provide plants you have propagated for some of our projects.

Interests:

Data & Publicity

I give permission for East Grinstead in Bloom to:

- Hold the above details on its database
- Contact me with information regarding East Grinstead in Bloom and its associated activities.
